## Happy Shower Sets

### 5 pcs set includes:

- A fitted chrome coated 5 functions showerhead (especially designed to attach to the figures)
- 2 colorful figures
- 2 decorative hangers for figures

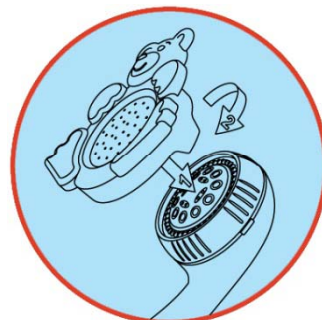

### 7 pcs set also includes:

- 2m/80" hose
- arm bracket

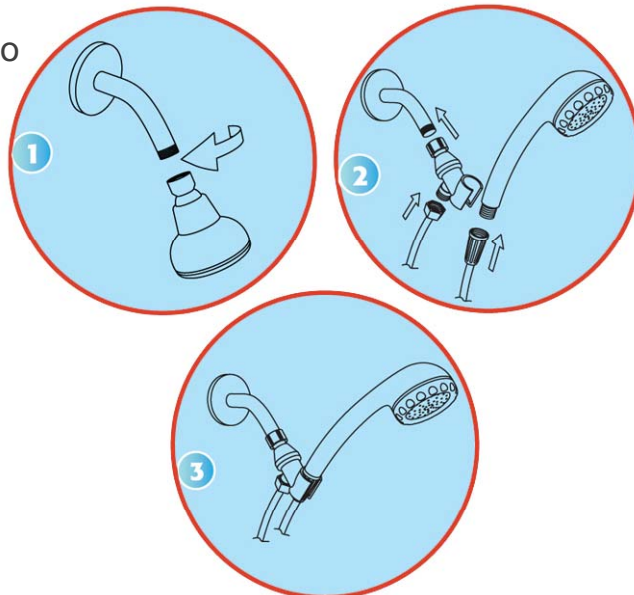

## How to use the fun figures

- Attach the figure to the shower head while the figure is slightly tilted to the left.
- Turn the figure clockwise until it is upright
- Make sure that the two bulges on the sides of the showerhead are securely located in their slots.

## 3 Steps Easy installation

1. Remove existing shower head.
2. Hand tighten shower arm mount (included) to shower arm.  
Place the 2 black sealing rings inside the inner thread on both sides of the hose
3. Hand tighten hexagonal end of the hose to shower arm mount and conical end of the hose to hand shower.  
Place shower head in shower arm mount
