Meet Sleepy Way™

The comfortable travel cushion that allows commuters, students, tourists, backpackers and families to sleep on public transportation or in a private car.

High Quality

- Durable 15% Lycra fabric
- Extra soft feel
- Magnetic travel bag closing

Sleepy Way Advantages

- Comfortable to sleep on.
- Broad audience – from commuters to tourists.
- Colorful – 7 beautiful colors appeal to every taste.
- Protected by a patent and a design patent (both pending).

Store display recommendation: attach Sleepy Way cushions in several colors to the display window
